## **PHT NAMED NEW MEMBER TO BOARD OF ADVISOR**

**January 18, 2022 Charlotte, NC** - PHT International, Inc. is proud to announce and welcome Dr. Jacques Brom as the Company's newest PHT Board Advisor member. Board members will collaborate with PHT's executive team to develop strategic plans, execute growth and acquisition strategies, and serve as a sounding board for the management team.

**Dr. Jacques Brom** was the CEO of Sanofi Active Ingredient Solutions in France. He has been with Sanofi for over 25 years, serving as Production Director, Director of Operations, VP of Chemistry & Biochemistry, among others. Prior to joining Sanofi, Jacques worked as Production Director at Roche. Jacques obtained his PhD in Chemical Engineering, Organic Chemistry from Ecole Nationale Supérieure de Chimie in Mulhouse, France.

With his experience and knowledge, Jacques will bring a wealth of expertise to the PHT board of advisors.

*PHT International is a highly competitive Contract Development and Manufacturing Organization (CDMO) and Contract Research Organization (CRO) providing innovative solutions to leading life science companies.
