DR. JOANNE JOHNSON NAMED EXECUTIVE VICE PRESIDENT OF SALES AT PHT INTERNATIONAL

April 1, 2019, Charlotte, NC - PHT International, Inc. is proud to announce and welcome Dr. Joanne Johnson as the Company's Executive Vice President of Sales and head of the Pharmaceutical Business Unit. Dr. Johnson has a Ph.D. from University of Wales in constrained peptide development and natural product chemistry. She has over 15 years' experience with CMO's, as well as experience in biotechnology and pharmaceutical industries.

Joanne will be responsible for developing and implementing an overall comprehensive sales and marketing strategy, directly engaging and managing the sales team to drive revenues of PHT's CDMO business in the pharmaceutical market.

Previously, Dr. Johnson lead a business development program, initiating and refining new systems and tools in project management, costing development, and RFP approval allowing midterm achievement of the strategic business plan. Dr. Johnson was able to grow services from simple non-GMP manufacturing to API manufacturing programs with US based biotechnology companies.

PHT International is a leading Custom Manufacturing Organization for chemicals specializing in the Pharmaceutical, Agricultural and Industrial sectors. Founded in 1993, PHT builds partnerships with leading brands through a commitment to integrity, solving problems and lasting relationships.

Offering research & development, logistics, procurement, QA & regulatory compliance, ownership in plants and joint relationships in strategic geographic areas position PHT as the trusted partner serving a global market.
