FRANCIS LUO NAMED SANCUS ARC GENERAL MANAGER

April 6, 2020, Charlotte, NC - PHT International, Inc. is proud to announce and welcome Francis Luo as the General Manager of Sancus Arc. Mr. Francis Luo has a Bachelor of Science in Chemistry from Beijing University. His career experience expands from general manager of API operations, executive director of sales/marketing, as well as overseeing operations. Francis Luo brings a wealth of knowledge in the CDMO area from his previous experience with major pharmaceutical companies.

Francis will be responsible for overseeing the entire Sancus Arc facility and directly engaging and mentoring our staff.

Sancus Arc Biochem, owned by PHT International, offers global solutions in manufacturing to partners within the pharmaceutical industry. With state of the art process development and cGMP manufacturing, Sancus Arc provides a complete suite of solutions in development chemistry, analytical development, advanced intermediate manufacturing, RSM and API manufacturing at our FDA inspected facility.
